Note about DS-2019 and T/IPP

OISS will complete the Training/Internship Placement Plan (T/IPP) and send a copy to you and your supervisor for review. Please notify our office if corrections are needed. If all is correct, both of you will need to sign and upload your signature page to ISD (or email a scanned copy). Once each of you has provided a copy of your signature page, OISS will complete the DS-2019 and send that form along with the T/IPP to your sponsoring department. The T/IPP will contain the OISS advisor's original signature. The department will insert your supervisor's original signature page and ship both the DS-2019 and T/IPP forms to you. You will need to sign the DS-2019 and replace the blank signature page with your signed T/IPP page before your visa interview. You should also scan a copy of both signed forms to OISS. We recommend you keep a copy of the signed DS-2019 and T/IPP forms for your records.
